

Invitation to IVS – Industrial Valve Summit!

We are glad to invite you to visit **IVS – Industrial Valve Summit in Bergamo**.
IVS is a leading event for valve technologies and flow control solutions.

With its exhibition area and a three-day conference program, Industrial Valve Summit is a must attend event! IVS will show the most innovative technologies from all over the world, and will address issues regarding the entire supply chain of the valve industry, as well as engineering, constructing, maintaining and operating industrial plants.

For further information on IVS: <https://www.industrialvalvesummit.com/>

We look forward to meeting you at our booth
To access IVS please follow the instructions below.
